

NOTE:

(1)

Applicant claims the benefit of earlier
provisional application.

My claim consists of an improvement of ladies' shoes and a new idea to convert a basic ladies' shoes, in any heel height, to a multi-variety of leathers, fabrics, materials, colors, designs and ornaments appropriate for daytime and evening wear.

Not only a definite space saver for packing/suitcase and closet storage space, but also an economic factor.

One basic shoe can be converted to many, comprising to replace & alter appearance. The look is perceived with a minimal of effort.

Slides/converters may be sold separately or with shoes.
